

Bab : Buying / Selling كتاب البيوع

Fasl : Share Market / Mutual Fund

Sawal No : 361

Upload Date : 07-08-2025

Topic : Etf Me Invest Karna

Sawal : Kya Etf Me Invest Karna Jaiz Hai ?

Jawab : Etf Me Invest Karna Jaiz Hai, Ya Nahi, Is Ko Samajhne Se Pehle Etf Ki Definition Aur Haqiqat Ko Samajhna Zaroori Hai. Hamari Information Ke According :

■ **Etf Yaani Exchange Traded Fund**

■ **Ye Ek Aisa Fund Hota Hai Jo Stock Market Me Trade Hota Hai — Share Ki Tarah. Etf Ek Basket Hoti Hai, Jis Mein Bohat Si Companies Ke Shares Hote Hain, Ya Koi Commodity (Jaise Gold, Silver), Ya Koi Index (Jaise Nifty 50, Sensex)**

■ **Agar Aap Ek Etf Kharidte Ho, To Aap Us Basket Mein Diye Gaye Sab Assets Mein Thoda Thoda Invest Kar Lete Ho.**

■ **Islamic Law Ke According Etf Mein Investment Karna Jaiz (Halal) Ho Sakta Hai — Jab Ke Sirf Aisi Companies Mein Invest Kiya Jaye, Jin Companies Ke Shares Lena Islamic Law Ke Mutabiq Jaiz Aur Halal Ho.**

■ **Agar Etf Basket Mein Aise Shares Shamil Hon, Jo Shariyat Ke Mutabiq Na Hon - Jaise Nifty 50, Sensex Ya Commodity Shares, To Aisi Soorat Mein Etf Mein Investment Karna Jaiz Nahi Hoga. Fakt - Allah Ta'ala Sabse Zyada Janne Wale Hai.**
